

Page 9, lines 7-8, replace (See for example, Glasser A.S., An Introduction to Ray Tracing, Academic Press, 1989," with ~~-(See for example, Hearn, D. and Baker, M.P., Computer Graphics, Second Edition, Prentice Hall, Inc. (1994), for a discussion of homogeneous transformation matrices)-~~.

REMARKS

The foregoing Preliminary Amendment is made to correct a typographical error in the title of the invention and to correct the prior art citations referenced in the specification. No new matter is added. Examination on the merits is respectfully requested.

Date: 10/1/02

Respectfully submitted,
